GOLF CLUB SERVICING

Thank you for taking the time to review this information.

B-Grippin' partners with golf clubs to enhance the tournament experience by providing professional, on-site services that add value for players while requiring minimal effort from your staff. Our goal is to create a seamless experience that complements your event, delivers exceptional customer service, and leaves participants with a feeling of luxury from an exclusive service.

We understand the importance of running a successful tournament. That's why we handle every aspect of our setup, operation, and customer interactions, allowing your team to stay focused on hosting a great event.

Inside this packet, you'll find an overview of our services, what we provide on tournament day, and how partnering with us can elevate your event. We would appreciate the opportunity to be part of your next tournament and look forward to working with your club.

VALUE ADD

EXCLUSIVE SERVICE FOR CLUB MEMBERS

Offering a service for golfers on-site adds to the luxury of being a club member.

NO ADDITIONAL SERVICE, TRAVEL, OR SETUP FEES

Not only do the golfers save on shipping and/or travel costs to service their clubs, but your management will spare no additional cost as I do not have any additional fees or charges to set up on-site.

INCREASED TRAFFIC ON COURSE

Investing financially in something creates draw and conviction to put it to use. Golfers who have freshly serviced clubs will want to put them to use which will bring more traffic to your course.
